

## Cambridge B1 Preliminary picture description #4

This is a picture of an Indonesian girl riding an elephant. The elephant has a long trunk and broken tusks. In the background, there is a tree and a telephone pole with wires extending beyond the picture. The sky is blue with small patches of clouds and the elephant is walking on a road that has been paved. The woman is wearing a straw hat and has her hand to her chin holding her scarf over her face. She has a package on the back of the elephant and the elephant's tusks appear to go beyond its legs. In the foreground, you can see people holding cameras and obviously taking pictures. There's also grass beyond road and brush. Trees can be seen.
